

**Developmental Disabilities Resource Board
2003-2004 Reservations
for
Supported Employment Follow-Along**

Agency Name: _____ Contact Person: _____

Unit Cost: _____ Most Recent Audited Unit Cost: _____

Identify yearly units needed to support each person. Please keep in mind that typically, follow-along supports average 2-6 hours per month. You will then need to project how many new people your agency will serve in FY03.

Name	Yearly Units

Total

While each person has their own reservation of units, if you find that one person is using less and another person is using more you can accommodate that within your total units reserved. *It is the agency's responsibility to manage within their reserved amount.*

Pending availability of funds, it will require Board approval to request additional units.
